PRIVATE LESSONS (Available by appointment at Ski School)

1 in class.....	\$12/hr
2 in class.....	\$14/hr
3 in class	\$18/hr.
4 in class	\$22/hr.

KIDS PROGRAM

Children from 6 to 12 are introduced to the outdoors and the basics of skiing in a "fun" learning environment. They will learn to control their skis, ride the lifts and act safely on the slopes. Classes are formed on the basis of age and ability. Cost \$16.00 for 5 lessons.

TEEN PROGRAM

This program is designed to encourage an interest in skiing for the beginner and to develop further skills for those teens who have skied before. Classes are formed on the basis of demonstrated ability. A special half price equipment rental program is available at Chedoke. Cost \$18.00 for 5 lessons.

LADIES PROGRAM

We have developed the "Ladies Day" program so that sessions are divided between beginners and those who have skied before. In either category, a special equipment rental (skis, boots and poles) package is offered. A special half price equipment rental program is available at Chedoke. Cost \$18.00 for 5 lessons.

GRADUATED LENGTH METHOD (GLM) LESSONS

The Graduated Length Method of learning to ski has proved successful in getting beginners under way quickly and with confidence. You will ski on progressively longer skis as your abilities are developed. Cost \$48.00 for 5 lessons includes use of skis, boots and poles during the class.

ADULT LESSONS

You have your own equipment and want some help getting started? Our qualified instructors will give you a good grounding and plenty of practice. You have skied before, in fact quite a lot? Come out and let us give you some new ideas and a chance to work out. We will put you in a class according to your level of progress. Cost \$28. for 5 lessons.

FREESTYLE

A special program has been developed to teach the elements of freestyle skiing. The skiers are divided into ability groups and are taught the fundamentals and the more advanced forms of Ballet, Moguls and Airdals. The program is designed for skiers of intermediate to expert abilities and is open to both sexes. Cost \$45. for five lessons. Classes are held Monday and Wednesday nights.
